Physics Olympiad

Saturday
5:00 PM – 6:30 PM
(10/01/2016 – 1/14/2017)

Congratulation to three of Marlboro Learning Center (MLC) students who have passed the first round of Physics Olympiad test and one MLC student passed the 2nd round in 2016. The whole nation has only 400 students passing the first round of test. Only a hand full of contestants who passing the 2nd round will be selected for international competition representing US. This is an outstanding accomplishment.

We are really grateful to the teacher Mr. Kovalcin who is a text book author and has been teaching AP/SAT/Learn Ahead Physics at Marlboro Learning Center for 7 years. Mr. Kovalcin is truly a world class physics teacher.

Instructor: Mr. Kovalcin

Mr. Kovalcin, author of Honors Physics textbook, has been teaching all levels of high school physics for over 36 years, including AP, Honors, SAT II and Lab. He is a very dedicated, well-organized teacher. Over the last decade, he coached the Manalapan HS Physics team in the National Science League to the first place in 2008 and 2009. He has four students who have become members of the US Physics Team.

- * Material fee \$25 not included in the tuition
- * Schedule and instructor subject to change
- * We reserve the right to cancel the class due to insufficient enrollment.

The Marlboro Learning Center is committed to the educational needs of your child. It is your obligation to attend the scheduled instruction on a regular basis.
