Course Instructors

Course Instructor

Mr. Simpson

English Teacher

Mr. Simpson has a Master's degree from Harvard University Graduate School of Education and over 19 years of experience teaching students of all levels and SAT/ACT classes. At Harvard, he designed his own curriculum, conducting unique research focused on standardized test instruction and achievement. He has helped thousands of students achieve their testing goals using his test methods and strategies, and hundreds of his students have achieved perfect scores. Mr. Simpson has also written ten test-prep books on the SAT and PSAT. Mr. Simpson is very much liked by all students he taught. He has a unique way of motivating students to learn and making learning more fun.

Mr. Kouts

Mathematics, Physics, and Computer Science Teacher

Mr. Kouts is a professional teacher of Mathematics with a Master's degree and a Bachelor's degree in Mathematics. He has over 15 years of teaching experience on Math, Physics, and Computer Science, including SAT/ACT Math, AP Calculus AB, AP Calculus BC, AP Statistics, Precalculus, Algebra I, Algebra II, Geometry, Honor Physics, and AP Physics C (Mechanics and E&M), AP Physics I & II, and AP Computer Science A. He emphasizes on teaching the fundamentals so that students can build a solid foundation on both the subject and problem-solving skills required to excel on exams and applications of concepts in the real world. Being extremely familiar with the structure and style of questions, Mr. Kouts has helped hundreds of students achieve high and perfect scores.
