Teachers' Profile

Teacher Name	Teacher Introduction	Teacher Picture
Rutkowski	<p><i>SAT English, AP Language, AP US History</i></p> <p>Mr. Rutkowski is a world-class teacher who is certified and has over 20 years of experience on SAT/ACT preparation, AP English and AP US History. Mr. Rutkowski knows SAT in and out and is the best SAT teacher you can find. He knows the most difficult questions on the SAT English section and is well-versed in teaching students the proper methods to attain top scores. He discusses key SAT topics such as vocabulary, writing, sentence correction, and reading comprehension, in addition to the fundamentals of grammar, critical reading, essay writing, and test-taking skills. He focuses on evidence-based reading, words in context, grammatical writing, passage analysis, and many other necessary skills. Furthermore, students are frequently evaluated on their reading/writing capabilities. Numerous tests, reviews, and homework assignments are standard for his classes. Mr. Rutkowski's SAT students have shown significant improvements, sometimes achieving score increases of as much as 300 to 400 points.</p>	
Hwang	<p><i>Mathematics</i></p> <p>Mr. Hwang is a certified math teacher who graduated from Brown University with a master's degree in mathematics. He has over 15 years of experience teaching various levels of high school math, including SAT Math, Precalculus, Algebra I, Algebra II, Geometry, Trigonometry, and AP Statistics. Mr. Hwang is a true "Math Guru" who teaches the fundamentals of mathematics to help students succeed. His main goal is not only for students to excel on exams, but also to build a solid foundation in mathematics that can be used to solve real world problems and support future academic advancement.</p>	

Kouts	<p><i>Mathematics</i></p> <p>Mr. Koutsothodoros is a professional teacher of Mathematics with both a master's degree and a bachelor's degree in mathematics. He has over 15 years of teaching experience in Math, including SAT/ACT Math, AP Calculus AB, AP Calculus BC, AP Statistics, Precalculus, Algebra I, Algebra II, Geometry. He emphasizes teaching the fundamentals so that students can build a solid foundation in both the subject knowledge and the problem-solving skills required to excel on exams and apply concepts in the real world. Being extremely familiar with the structure and style of questions, Mr. Koutsothodoros has helped hundreds of students achieve high and perfect scores.</p>	 A photograph of Mr. Koutsothodoros, a man with short brown hair, wearing a light blue button-down shirt. He is sitting at a wooden desk, looking towards the camera. On the desk, there is a laptop, a smartphone, and some papers. A lamp is visible in the background.
Kovalcin	<p><i>Physics</i></p> <p>Mr. Kovalcin, a physics enthusiast, has coached many students on the US Olympiad team and has even helped write a Physics textbook. He has been teaching physics for over 36 years at various institutions, including Monmouth County Science and Engineering Center at Manalapan High School. Mr. Kovalcin has gained many experiences with students by teaching AP Physics I, II, C Mechanics and E&M, Honor Physics, and Olympiad Physics, as well as coaching the Manalapan High School Physics team in the National Science League to first place. Mr. Kovalcin's classes are also filled with exciting laboratory experiments that enhance the classroom environment. He clearly explains difficult concepts to students and specifically, the origins and applications of the laws of physics.</p>	 A photograph of Mr. Kovalcin, a man with glasses and a blue polo shirt. He is standing in a classroom, with a whiteboard and various classroom items visible in the background. He is looking directly at the camera.

Simpson	<p><i>English</i></p> <p>Mr. Simpson holds a master's degree from the Harvard University Graduate School of Education and has over 19 years of experience teaching students of all levels and SAT/ACT classes. At Harvard, he designed his own curriculum and conducted unique research focused on standardized test instruction and achievement. He has helped thousands of students achieve their testing goals using his test methods and strategies, and hundreds of his students have achieved perfect scores. Mr. Simpson has also written ten test preparation books on the SAT and PSAT. Mr. Simpson is highly regarded by all students he taught. He has a unique ability to motivate them and make learning more enjoyable.</p>	
Ragone	<p><i>Biology</i></p> <p>Ms. Ragone is a certified and experienced biology teacher with 19 years of experience teaching AP Biology as well as grade-level and honors-level courses. Her students consistently achieve high scores on AP exams and state tests due to her ability to explain challenging concepts in clear, understandable ways, with a deep level of expertise and a wide range of learning and practice resources, she provides the tools and support students need to succeed in mastering biology. We have received excellent feedback for Mrs. Ragone with proven record.</p>	

Black	<p><i>Chemistry</i></p> <p>Mr. Black is a certified teacher with over 17 years of experience teaching AP Chemistry, Pre-AP Chemistry, Honor Chemistry and General Chemistry. He has helped students bridge the gap between taking notes in high school and independently finding and researching information in college. He has also designed State Science exams. Mr. Black has effectively managed small-group classes with students at varied levels and has helped hundreds of students achieve perfect scores on AP exams and improve their school grades.</p>
