Course Description

The small group class is Taught by top notch well known SAT experts who own 15-20 years and more experiences with proven records. It is designed to strengthen students' vocabulary, grammar, reading comprehension and writing skills that are required for SAT as well as enhance school performance on English reading/writing and math skills. Frequently tested questions and tricks that students are easy to make mistakes on are taught in the class. The classwork will include homework, and frequent quizzes/tests. Improvement ranges up to 300 – 400 points including perfect scores.

Frequently tested questions are tested each week followed by reviews and teaching of students' weakness based on the test result including weakness analysis. Students are required to redo questions that they did wrong to ensure they can correct the errors by themselves.

SAT Guarantee Program

Based on initial test results, our teachers will provide estimates of your actual SAT test scores up to 1550+. If you meet our requirements of class attendance, practice tests, and homework, and does not get the estimated scores, you can take additional prep courses for free up to additional one or two or three test dates depending on the program you participate in.

Course Instructors

Mr. Rutkowski

SAT English, AP Language, AP US History

Mr. Rutkowski is the best SAT teacher you can find. He is a world class teacher who is certified with over 20 years of experience on SAT/ACT, AP English and AP US History. Mr. Rutkowski knows SAT in and out. He knows the most difficult questions on the SAT English section, and he is well-versed in teaching students the proper methods to attain top scores. He discusses key SAT questions on vocabulary, writing, sentence correction, and reading comprehension, in addition to the fundamentals of grammar, critical reading, essay writing, and test-taking skills. He focuses on evidence-based reading, words in context, grammatical writing, passage analysis, and many other necessary skills. Furthermore, students are frequently evaluated on their reading/writing capabilities. Numerous tests, reviews, and homework assignments are standard for his classes. Mr. Rutkowski's SAT students have shown significant improvements, and sometimes as much as 300 to 400 point increases.

Mr. Hwang

Mathematics

Mr. Hwang is a certified math teacher who graduated from Brown University with a Master's degree in Mathematics. He has been teaching various levels of high school math for over 15 years, including SAT Math, Precalculus, Algebra I, Algebra II, Geometry, Trigonometry, and AP Statistics. Mr. Hwang is a true "Math Guru" and he teaches the fundamentals of mathematics to help students, and his main goal is not only for students to excel on exams, but also to build a solid foundation in mathematics used to solve real world problems and future advancement.
